About Us

OUR FOUNDER

At ABATE, we believe that real success is when we grow together. Our biggest joy comes from helping our team, partners, and community rise with us. We are proud to be an ethical company that values honesty, trust, and fairness in everything we do. By leading with strong values and supporting others, we are building a space where everyone can succeed. Together, we grow. Together, we build a future of success.

– Dr. Adv. A. Samsudeen

Chairman and Managing Director

Dr. Adv. A. Samsudeen, the Founder and Chairman of ABATE AS Group of Companies, is a visionary leader and a strong believer in ethical, purpose-driven growth. His journey has inspired thousands of people across different industries and countries. Under his leadership, ABATE achieved a major milestone by becoming the first company from Malabar where its headquarters is proudly based to be listed on the Bombay Stock Exchange (BSE). This success shows his clear vision, honest leadership, and long-term thinking.

He is not just the founder of ABATE – he is the creator of a legacy built on service, opportunity, and vision. With his leadership, ABATE continues to grow as a symbol of integrity, success, and positive impact across the world.

Dr. Samsudeen expanded his vision beyond India, starting successful businesses in Bahrain in areas like mobile retail, electronics, supermarkets, and services. Bahrain has now become a key part of ABATE's global journey, with more international markets opening up under his leadership.

He has also made a big impact in the education sector. In 2005, he introduced Kerala's first approved BSc Optometry program, which has helped more than 10,000 students across India and other countries build strong careers. His institutions now offer practical, career-focused courses in optometry, architecture, interior design, and healthcare, and many graduates are working successfully all over the world.

Dr. Samsudeen brings together academic knowledge and real-world experience. He has built strong teams, inspired professionals, and created a work culture based on trust, excellence, and service. His other business ventures – in real estate, supermarkets, electronics, mobile retail, and education consultancy – have created thousands of jobs in India, Bahrain, and other growing markets.

Today, his vision continues to grow, with 44 world-class international eye hospitals under development, providing advanced eye care and compassion to communities everywhere. With a Ph.D. in Management focused on eye hospitals,

About Us

OUR PROMOTERS

The pillars of purpose, experience, ethical excellence, and strong leadership guiding compassionate care, steady growth, and meaningful impact across all our businesses.

The strength and credibility of ABATE AS Group of Companies are deeply rooted in the unwavering support and guidance of its distinguished promoters Dr. Muhammed Swadique, Dr. Safarullah, and Dr. Rajesh. These senior-most stalwarts in the field of eye care bring with them decades of clinical experience and a deep commitment to ethical medical practice, making them the backbone of ABATE's mission and values.

We have always stood united by our values honesty, compassion, and integrity. As we grow, we carry these principles with us in everything we do. Our business is not just about success; it's about staying true to an ethical path, building trust, and creating a legacy that uplifts everyone connected to us.

Prof. Dr. Muhammed Swadique

MBBS, DNB, MNAMS, FICO, MRCS, FRCS(Glasgow), FRCS(Edinburgh), FRCOphth Medical Director & Consultant Ophthalmologist (Refractive Surgery, Cornea, Cataract & Glaucoma services)

Prof. Dr. Muhammed Swadique, one of Kerala's most respected ophthalmologists, is known for his disciplined, ethical approach to patient care. Holding the prestigious Triple FRCS qualification and serving as an FRCS Examiner, his expertise and academic depth place him among the most honored figures in the field. He is a man of unwavering principles, committed to delivering only the most ethical treatments with a service mindset — ensuring that every life touched by ABATE receives care rooted in integrity and compassion.

Dr. Rajesh, a senior retina surgeon, stands among the few highly qualified specialists in India with deep expertise in diabetic eye disease and complex retinal surgeries. Known for his exceptional precision, sound judgment, and patient-centered approach, he represents the rare combination of advanced skill and strong ethical foundation. His work has impacted thousands of lives and continues to guide ABATE's retina care with purpose and excellence.

Dr. Rajesh P

MBBS, MD Ophthalmology (AIIMS) Fellow of LV Prasad Eye Institute, Hyderabad Chief Consultant Vitreo Retinal Surgeon & Medical Superintendent

Dr. Safarullah, widely respected across India and the Gulf, is a senior cataract surgeon known for his soft hands and calm surgical precision. Over the years, he has restored vision to thousands, becoming one of the most trusted and beloved cataract specialists in the region. His humble demeanor and commitment to patient well-being make him not just a surgeon but a symbol of gentle healing and reliability.

Dr. M.A. Safarulla

MBBS, MS Ophthalmology Chief Consultant Phaco Surgeon and Retina Specialist

About Us

OUR VALUES

Our values are the foundation of every strategy, every partnership, and every decision – ensuring we grow with trust, responsibility, and long-term impact.

OUR VISION

“To become the most trusted conglomerate that deliver superior value to all our stakeholders.”

In every part of our business, we follow values that help us grow the right way – honesty, responsibility, quality, and respect. These values shape our decisions, guide our teams, and build long-term trust with our customers, partners, and communities. We believe that strong values lead to strong results, and that true success comes when business is done the right way

OUR MISSION

“Our mission is to build businesses through strong corporate governance and with a commitment to our core values. We believe in growing together and hence we help our businesses through the entrepreneurial skills of our leaders, investment in talents and our infrastructure.”

OUR CORE VALUES

Integrity: We uphold the highest standards of integrity in all of our actions which has earned for us the trust of all our customers, employees, investors & partners.

Value Centric: We create value in everything we do that ultimately delivers sustainable returns to all our stakeholders.

Innovation: We encourage curiosity and creative ideas, and make continuous improvement in the process and systems.

Excellence: Each of our group businesses deliver excellence in all our products and services, resulting in the highest level of customer satisfaction.

Entrepreneurial Spirit: We mentor our people and partners to identify business opportunities, take calculated risks and develop entrepreneurial skills in them.

Our core values are the backbone of who we are as a group. They shape our culture, guide our daily actions, and define the way we do business — with honesty, responsibility, and a deep commitment to excellence. These values are not just words on paper; they are beliefs that live in every part of our organization.

They help us stay true to our purpose as we grow across industries and regions. From the way we treat our employees and support our customers, to the way we make decisions and build partnerships everything is driven by this strong value system.

We believe that by holding on to integrity, encouraging innovation, focusing on value creation, delivering consistent excellence, and nurturing entrepreneurial thinking – we can continue to build trust, grow sustainably, and make a real difference in the lives of everyone connected to us.

Our values are our strength. They keep us grounded, focused, & united – as we continue our journey to build a future we can all be proud of.

About Us

OUR FUTURE

We believe that the future belongs to those who build it with clarity, courage, and commitment. With deep roots in healthcare, education, retail, and global enterprise, our journey forward is powered by bold goals and a strong sense of responsibility.

Our financial vision is to strengthen our market presence by raising our Bombay Stock Exchange (BSE) share value to 500, reflecting sustainable growth, investor trust, and long-term stability. We are proud to be the first listed company from North Kerala, and we are committed to setting new benchmarks in ethical and transparent business practices.

In the healthcare sector, we are expanding our footprint with the upcoming launch of super-specialty eye hospitals in Bahrain and Manjeri both designed to deliver high-quality, affordable, and compassionate care.

These are stepping stones toward a larger mission: building a network of 44 international eye hospitals, offering advanced eye care solutions across the globe and becoming a leader in global ophthalmology.

In education, we envision the creation of our own private university — a multidisciplinary center of excellence focused on healthcare, architecture, business, and emerging technologies. This institution will not only provide world-class education but also cultivate leadership, entrepreneurship, and social responsibility among the youth.

Together, these future plans represent more than just business expansion — they reflect our unwavering belief in impact-driven growth. Whether it's restoring sight, creating careers, educating minds, or building trust in new markets, ABATE AS is committed to building a future that benefits people, partners, and society at large.

44 Eye Hospitals Around the World

We are building a global network of 44 eye hospitals to provide the best possible care with modern technology and human touch making eye care more accessible worldwide.

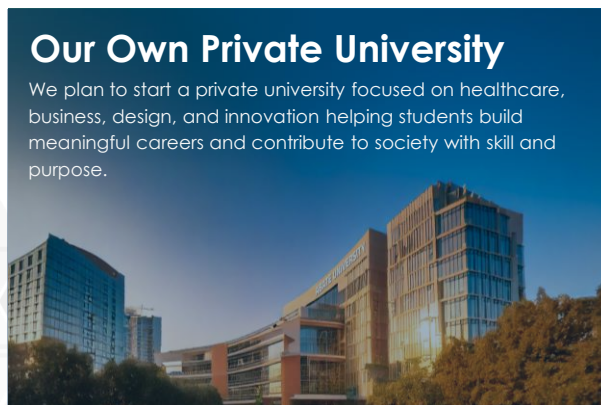

New Eye Hospital in Manjeri

A new super-specialty eye hospital in Manjeri is on the way, expanding our services & strengthening our presence in Kerala.

Our Own Private University

We plan to start a private university focused on healthcare, business, design, and innovation helping students build meaningful careers and contribute to society with skill and purpose.

About Us

ECHOES OF TRUST

Across countries, cultures, and communities, people come to Abate with hope in their hearts and leave with stories worth telling. Echoes of Trust is a collection of real voices and life-changing moments that reflect the care, compassion, and credibility that define who we are. These testimonials are not just words; they are living proof of the healing, respect, and reassurance that our patients experience. From those who traveled the world in search of a cure, to those who found comfort close to home these are the echoes that inspire us to serve better, every single day.

“ ABATE Eye Hospital is truly a modern medical center with world- class facilities. I know this personally because I regularly come here to check my eyes, and the care I receive is outstanding.

P. K. Kunhalikutty

Deputy Leader of Opposition, Kerala Legislative Assembly
Former Minister of Industries & IT, Govt. of Kerala

Abate Eye Hospital has earned our trust not just through its modern facilities, but through the compassionate care it provides. Both my mother and I rely on Abate for our eye care — and we have always felt safe, respected, and well cared for.”

P. Sreeramakrishnan

Former Speaker, Kerala Legislative Assembly & Vice-Chairman, NORKA Roots

“ What truly sets Abate Eye Hospital apart is the care and attention given by the doctors & staff. Their approach is not just professional, but deeply compassionate. I felt truly cared for at every step of my treatment.

Mukuvane, Lesotho

Lesotho, Southern Africa

The infrastructure and setup at Abate Eye Hospital are truly world-class. From the advanced technology to the professionalism of the team, every detail reflects global standards in eye care. It's a center that delivers both excellence and compassion.

Dr. Kudaibergen

Kyrgyzstan

“ I had lost hope after visiting several top eye hospitals across the world, including in Iran none could restore the vision in one of my eyes. But everything changed when I came to Abate Eye Hospital. With their expert doctors & advanced care, I finally regained my sight. This hospital gave me back what I thought was lost forever.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through the CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Friday, 11 July, 2025 at 09:00 A.M.** (IST) and ends on **Sunday, 13 July, 2025 at 05:00 P.M.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, 07 July, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, to their shareholders under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facilities to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

- (i) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Item No.11

The Members may note that presently the paid-up share capital of the Company is Rs. 95,00,00,000/- (Rupees Ninety-Five Crore) consisting of 9,50,00,000 /- (Nine Crore Fifty Lakh) Equity Shares of Rs. 10/- (Rupee Ten only) each. In view of the proposal for a bonus Issue as proposed at Item No. 11, the Company proposes to increase its Authorized Share Capital to Rs. 1,58,00,00,000 /- (Rupees One Hundred and Fifty-Eight Crore) consisting of 15,80,00,000 (Fifteen Crore Eighty Lakh) Equity Shares of Rs.10/- (Rupee Ten only) each.

Pursuant to the provisions of Section 61, the proposed increase of Authorized Share Capital of the Company requires approval of the Members at a General Meeting. Consequent upon the increase in Authorized Share Capital of the Company, Clause 5 of the Memorandum of Association (MOA) of the Company will require alteration so as to reflect the increase in the Authorized Share Capital. Accordingly, approval of the Members of the Company is hereby sought by way of Special Resolution as set out in Item No. 11 of the Postal Ballot Notice.

A copy of the Memorandum of Association of the Company along with the proposed amendments is available for inspection by the members at the Registered Office of the Company between 11:00 AM and 5:00 PM on all working days from Monday to Friday from the date of dispatch of this Notice till the last date fixed for e-voting i.e. 13th July, 2025 except on all National holidays.

In terms of Section 13 of the Companies Act, 2013, the consent of the Members by way of Special Resolution is required for proposed amendments in the Memorandum of Association of the Company.

None of the Directors, Promoters, Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise, in the above referred resolution, except to the extent of their shareholding.

The Board recommends the Special resolution set forth at Item No. 11 for the approval of the Members.

Item No.12

The Board of Directors of the Company, at its meeting held on June 17, 2025, recommended the issue of bonus equity shares in the ratio of 1:1, i.e., 1 (One) new fully paid-up equity share of ₹10/- each for every 1 (One) existing fully paid-up equity share of ₹10/- each, by capitalizing a sum not exceeding ₹78,80,32,280/- from the Securities Premium Account and other free reserves of the Company.

The objective of the bonus issue is to reward the shareholders by increasing liquidity and expanding the retail shareholding base, while also enhancing the marketability of the Company's shares. The Board believes this move will encourage long-term retail investor participation and confidence in the Company.

The issue of bonus shares will be made in accordance with the applicable provisions of the Companies Act, 2013, including Section 63, the relevant rules under the Companies (Share Capital and Debentures) Rules, 2014, the provisions of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and the Articles of Association of the Company.

As per Article 202 of the Articles of Association, the Company may capitalize its reserves and securities premium for the purpose of issuing bonus shares. The bonus shares shall be credited as fully paid-up to the eligible members whose names appear in the Register of Members or in the list of Beneficial Owners as per the records of NSDL and CDSL as on the Record Date, to be determined by the Board of Directors after obtaining shareholder approval.

The shareholding of Directors, Key Managerial Personnel, and their relatives will increase proportionately to the existing shareholding, but none of them has any special interest in this resolution other than as shareholders of the Company.

As per the audited financial statements as on March 31, 2025, the Company had balance of ₹85,23,56,095/- in Securities Premium Account against which the Board has proposed capitalization for a Bonus Issue up to ₹78,80,32,280/- and the Balance amount of ₹6,43,23,815/- will remain in Securities Premium Account Post Capitalization.

The bonus shares shall rank pari-passu in all respects with the existing fully paid-up equity shares and shall be subject to the terms and conditions contained in the Memorandum and Articles of Association of the Company.

In accordance with Section 63 of the Companies Act, 2013, issue of bonus shares requires shareholders' approval by way of a Special Resolution. Accordingly, your approval is sought through this resolution.

None of the Directors, Key Managerial Personnel, Promoters, or their relatives is in any way concerned or interested in the said resolution, except to the extent of their respective shareholding in the Company.

The Board recommends passing of the Special Resolution as set out in Item No. 12 of this Notice.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. Industry Structure and Developments

The Indian healthcare sector continues to evolve rapidly, emerging as one of the most critical pillars of the nation's socio-economic development. Encompassing hospitals, diagnostics, medical devices, health insurance, and digital health platforms, the industry has gained renewed momentum post-COVID, driven by increased public health awareness, greater government spending, and digital transformation.

Particularly in eye care—a sector where Abate AS has a pioneering presence—there is a sharp increase in demand due to aging demographics, chronic conditions like diabetes, and the growth of refractive surgeries. Public-private partnerships and technological innovations, such as AI-enabled diagnostics and teleophthalmology, are further redefining patient care models.

2. Opportunities and Threats

Opportunities:

- Expansion into underserved and international markets (e.g., Bahrain, Manjeri)
- Rising healthcare expenditure by both public and private sectors
- Rapid acceptance of telemedicine and digital consultation
- Increasing demand for super-specialty eye care services
- Vision to create a private university for healthcare and innovation-driven education

Threats:

- Competitive pressure from new entrants and large hospital chains
- Technological obsolescence in treatment equipment
- Attrition of skilled professionals and dependency on key medical staff
- Regulatory compliance complexity and policy fluctuations
- Thin operational margins in high-volume healthcare models

3. Segment-wise or Product-wise Performance

Abate AS Group of Companies primarily operates in the eye healthcare segment through its super-specialty hospitals and optical outlets. During FY 2024-25, the Abate AS Group has witnessed robust growth in patient footfalls across its centers in Perinthalmanna, Chennai, and Calicut. We diversified operations in Bahrain (through retail and healthcare) also delivered strong performance, contributing to both revenue and brand visibility.

4. Outlook

The outlook for Abate AS Group of Companies remains exceptionally positive. With strategic plans to launch 44 international eye hospitals and the development of a multidisciplinary private university, the company is well-positioned to shape the future of healthcare and education.

Our expanding footprint across South India and the Gulf, coupled with investments in cutting-edge medical technologies, AI-driven diagnostics, and patient-centered service delivery models, will drive sustainable growth. The company's focus on value-based care and ethical practices further enhances its competitive edge.

5. Risks and Concerns

While the growth trajectory is strong, the company must vigilantly manage:

- Talent retention, especially experienced clinicians and surgeons
- Supply chain risks for high-quality medical materials
- Regulatory and cross-border compliance for international operations
- Rising cyber-security threats in digital healthcare platforms
- Delays in project execution due to external factors

6. Internal Control Systems and Their Adequacy

The company has implemented robust internal control systems to safeguard assets, ensure regulatory compliance, and enhance operational efficiency. An independent Internal Auditor regularly assesses the effectiveness of these controls and reports to the Audit Committee. Policies and procedures are reviewed and updated to reflect evolving risks and regulatory requirements.

7. Financial Performance with respect to Operational Performance

The increase in the revenues in FY 2024-25 reflects enhanced utilization across our hospital network and expanding patient volumes. Retail and consultancy segments also witnessed incremental growth. Operational efficiencies and strategic cost control helped maintain margins in an inflationary environment.

8. Material Developments in Human Resources

The company continues to invest in training and development programs for its staff to enhance service delivery and employee engagement. While there were no significant structural HR changes during the year, initiatives in digital onboarding, employee wellness, and leadership development were introduced to support future growth.

9. Environment, Health and Safety (EHS)

As a healthcare provider operating across multiple jurisdictions, Abate AS adheres to stringent EHS norms. Compliance with local environmental and health regulations remains a top priority. Continuous audits, risk assessments, and employee training are conducted to ensure a safe and healthy workplace for both patients and staff.

10. Future Prospects

- Healthcare Expansion: Roll-out of new eye hospitals in Manjeri and Bahrain.
- Technology & Innovation: Increased adoption of digital platforms, AI-based diagnostics, and robotic surgeries.
- Education: Launch of a private university focused on healthcare, architecture, and business.
- Retail Growth: Consolidation and scaling of Bahrain's retail footprint through strategic acquisitions.
- Value Creation: Vision to raise BSE share price to ₹500 through sustainable growth and strong investor confidence.

11. Change in Return on Net Worth (RoNW)

There was a significant improvement in RoNW owing to equity expansion through preferential allotments, reflecting the company's strengthened capital structure.

12. Ratio Analysis

INDEPENDENT AUDITOR'S REPORT

Mahesh C. Solanki & Co.
Chartered Accountants

30-05-2025

To the Members of Abate AS Industries Limited**Report on the Audit of Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of **Abate AS Industries Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and the notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under the Act read with Rules framed there under as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubts on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS prescribed under section 133 of the Act;
 - e. On the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B**;
 - g. With respect to other matters to be included in Auditor's Report in accordance with requirements of section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements - Refer Note 24 to the standalone financial statements;
 - ii. There are no long- term contracts including derivative contracts having material foreseeable losses as at the reporting date;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared or paid dividend during the year and hence, there is no requirement to comply with section 123 of the Act.
 - vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended 31st March 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE A referred to in paragraph 1 under Report on Other Legal and Regulatory Requirements' section of our Audit Report of even date to the Members of the Company on the standalone financial statements for the year ended 31st March, 2025

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- I. In respect of its Property, Plant and Equipment and Intangible assets:
 - a. i. The Company has maintained proper records for its Property, Plant and Equipment showing full particulars including quantitative details and situation of those assets.
 - ii. The Company does not hold any intangible assets.
 - b. The Company has a policy of physically verifying its Property, Plant and Equipment every years which in our opinion is reasonable. No material discrepancies between the book records and physical verification were noticed.
 - c. The Title deeds of the immovable properties disclosed in the standalone financial statements are held in the name of the company except:
 - d. No Immovable Property is held by the company as on 31st March 2025, Accordingly, clause 3i(c) of the Order is not applicable.
 - e. No proceedings have been initiated during the year or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- II. The Company does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
 - III. During the year, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Therefore, sub-clauses (a), (c) to (f) of this clause are not applicable. As required by clause 3 (iii) (b) of the Order, we report that the investments made during the year are not prejudicial to the Company's interest.
 - IV. The Company has not granted any loans nor any guarantee or security to the directors or to any company, body corporate or to any other person covered by section 185 & section 186 of the Act. The investments made by the Company are in compliance with section 186 of the Act.
 - V. The Company has not accepted any deposits and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable to the Company.
 - VI. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, for any of the services rendered by the Company. Thus, reporting under clause 3 (vi) of the Order is not applicable to the Company.

- a. In our opinion and according to the information and explanations given to us, undisputed statutory dues, including Provident Fund, Employees State Insurance, Income tax, Service tax, Goods and Service Tax, cess, and other material statutory dues have been regularly deposited during the year with the appropriate authorities. According to the information and explanations given to us, there are no arrears of statutory dues which are outstanding as at 31st March 2025 for a period of more than six months from the date they became payable.
- b. In our opinion and according to the information and explanations given to us, there are no dues of Income Tax, Service tax and Goods and Service tax which have not been deposited on account of any dispute.
- VIII. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded
- IX. Income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- a. The Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority
- c. The Company has not obtained any term loan during the year and hence reporting under this clause 3(ix)(c) is not applicable.
- d. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e. The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- X. a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- b. During the year, the Company has made private placement of equity shares through preferential issue and the requirements of section 42 and 62 of the Act have been complied with. According to the information and explanations given by the management, we report that the shares were issued in a share swap transaction and hence, no funds were raised.
- XI. a. Based on an examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. There is no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

- c. According to the information and explanations given to us, and records of the Company examined by us, the company has not received any whistle-blower complaints during the year.
- XII. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- XIII. In our opinion and as per the information and explanations given to us, all transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and the details have been disclosed in the standalone financial Statements as required by the applicable accounting standards.
- XIV. a. In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
b. We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- XV. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI. a. In our opinion, the Company is not required to be registered under section 45-LA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
b. The company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
c. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) and (d) of the Order is not applicable.
- XVII. The Company has not incurred cash losses during the financial year covered by our audit. The Company did incur a cash loss of Rs. 9,102.66 thousands in the immediately preceding financial year 2023-24.
- XVIII. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable.
- XIX. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however state that this is not an assurance as to the future viability of the Company.

Mahesh C. Solanki & Co.

Annexure B referred to in Clause (f) of Paragraph of Report on Other Legal and Regulatory Requirements of our report of even date to the Members of the Company on the standalone financial statements for the year ended 31st March, 2025

We have audited the internal financial controls with reference to the Financial Statements of Abate AS Industries Limited as of 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company assets that could have material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has an internal financial control with reference to financial statements and such internal controls are operating effectively, however, the design needs to be enhanced to make it comprehensive. Based on verification of process control matrices, made available to us for the financial year under report and thereafter, in our opinion considering the internal control over financial reporting criteria established by the Company and the essential components of internal control stated in the Guidance Note, the Company needs to strengthen the controls thereof to make the same commensurate with the size and nature of its business.

This transaction is part of the company's boarder strategic restructuring and International expansion Plan

- 2.1.2** These financial statements have been prepared on a historical cost basis, except for certain assets and liabilities that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, (regardless of whether that price is directly observable or estimated using another valuation technique). In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability, at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- i. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ii. Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- iii. Level 3 inputs are unobservable inputs for the asset or liability.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

2.1.3 Foreign Currency Transactions and Translation: Transactions in foreign currencies are initially recorded by the company at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the closing rate on the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in the settlement of profit and loss. Non monetary items are translated using the exchange rate at the date of transaction. Non monetary items measured at fair value are translated at the exchange rates at the date when the fair value was determined.

2.2 Current / non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is,

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle
- ii. Held primarily for the purpose of trading
- iii. Expected to be realized within twelve months after the reporting period, or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- i. It is expected to be settled in normal operating cycle
- ii. It is held primarily for the purpose of trading
- iii. It is due to be settled within twelve months after the reporting period, or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Revenue

2.3.1 Revenue from operations is recognised to the extent that it is probable that economic benefit will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made as per IND AS 115. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

2.3.2 Rendering of other services: Revenue is recognised upon rendering of services, provided persuasive evidence of an arrangement exist, tariff/rates are fixed or are determinable and collectability is reasonably certain.

2.3.3 Interest income : Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.

2.4 Property, plant and equipment and intangible assets

2.4.1 Property, plant and equipment: Property, Plant and Equipment are stated at cost less accumulated depreciation or amortization and accumulated impairment losses. Cost comprises of all cost of purchase, construction and other related costs incurred in bringing the assets to their present location and condition.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

2.4.2 Impairment losses: At the end of each reporting period, the Company reviews the carrying amounts of the assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication of impairment loss exists, the recoverable amount, (i.e. higher of fair value less costs of disposal and value in use) of the asset is estimated, or, when it is not possible to estimate the recoverable amount of an individual asset, the recoverable amount of the cash-generating unit to which the asset belongs is estimated. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount and an impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

2.4.3 Depreciation/amortization: Depreciation/amortization is recognized on a written down value basis over the estimated useful lives of respective assets as under:

Asset Category	Useful life
Office Equipment	8 years
Furniture & Fittings	5 years
Computers & Accessories	3 years
Computer Software	6 years

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by technical assessment. The change of notes from straight line basis to written down value basis is not a policy change but a correction mistake in the notes.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

2.5 Financial instruments

Classification:

The Company classifies its financial assets in the following measurement categories: - Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and those measured at amortized cost. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Initial recognition and measurement

At initial recognition, the Company measures a financial asset at its fair value, in the case of a financial asset not at fair value through the Statement of Profit and Loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Subsequent measurement of non-derivative financial instruments

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii. Financial assets at fair value through profit and loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit and loss.

iv. Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The company derecognizes a financial asset when the contractual right to receive the cash flows from the financial asset expire or it transfers the financial asset.

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expired.

Impairment of financial assets

The company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

2.6 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognized in profit or loss.

2.6.1 Current tax: The tax currently payable is based on the estimated taxable profit for the year and is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted.

2.6.2 Deferred tax: Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

2.7 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

2.8 Cash and cash equivalents

Cash and Cash Equivalents in the balance sheet and for the purpose of cash flow statement comprise cash in hand and cash at bank including fixed deposit with original maturity period of three months and short-term highly liquid investments with an original maturity of three months or less.

2.9 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.A CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements requires management to make Judgements, estimates and assumptions about the reported amounts of assets and liabilities, and income and expenses that are not readily apparent from other sources. Such judgements, estimates and associated assumptions are evaluated based on historical experience and various other factors, including estimation of the effects of uncertain future events, which are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the management in the process of applying the Company's accounting policies and that have the most significant effect on the amount recognized in the financial statements and/or key sources of estimation uncertainty that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

- a. Income tax:** As stated in Note 39, tax expense is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted. In arriving at taxable profit and tax bases of assets and liabilities the Company adjudges taxability of amounts in accordance with tax enactments, case law and opinions of tax counsel, as relevant. Where differences arise on tax assessment, these are booked in the period in which they are agreed or on final closure of assessment.
- b. Recognition of deferred tax assets:** Deferred tax assets are recognized for unused tax-loss carry forward and unused tax credits to the extent that realization of the related tax benefit is probable. The assessment of the probability with regard to the realization of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future
- c. Useful lives of property, plant and equipment and, intangible assets:** The Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period.

INDEPENDENT AUDITOR'S REPORT

Mahesh C. Solanki & Co.
Chartered Accountants

30-05-2025

To the Members of Abate AS Industries Limited**Report on the Audit of Consolidated Financial Statements**

Opinion

We have audited the accompanying Consolidated Financial Statements of **Abate AS Industries Limited** (hereinafter referred to as "the Company") and its subsidiaries and associates (the Company, its subsidiaries and associates together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March 2025, the Consolidated Statement of Profit and Loss including other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries and associates referred to in the Other Matters Paragraph, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2025, its profit including other comprehensive income, cash flows and statement of changes in equity for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Investments	Our Audit Procedures
<p>The Group has investments in various entities. We have considered this area as a key audit matter since the carrying value of the investments involves Management judgement, which can impact the impairment loss and the profit for the year.</p>	<ul style="list-style-type: none"> • Ensured that the accounting policies of the Company with respect to the Investments is in compliance with the accounting framework. • Evaluated the design and tested the operating effectiveness of internal controls for initial recognition, measurement and disclosure of investments. • Performed substantive and analytical procedures to corroborate the management assertions. • Reviewed the process followed by the management of the Company in classification and valuation of investments.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Board's Report including Annexures, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiaries and associates incorporated in India have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company included in the consolidated financial statements for which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The consolidated audited financial statements include the financial statements of three subsidiaries listed above, whose financial statements reflect group's share of total assets of Rs. 7377.06 lakhs as at 31st March 2025, Group's share of total revenue of Rs. 1415.59 lakhs and Group's share of total net profit after tax of Rs. 61.66 lakhs for the year ended 31st March 2025, which have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities, and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information in so far as it relates to these entities, is based solely on the reports of such auditors.
2. The Consolidated Financial Statements also include the share of net loss after tax of Rs. 0.84 lakhs for the year ended March 31, 2025, in respect of one associate company.

Our opinion on the consolidated financial statements and Report on Other Legal and Regulatory Requirements given below are not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the Consolidated Financial Statements have been kept by the Group in so far as it appears from our examination of those books returns and the reports of the other auditors;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS prescribed under section 133 of the Act;
 - e. On the basis of the written representations received from the directors and taken on record by the Board of Directors of the Company and the report of the statutory auditors who are appointed under section 139 of the Companies Act 2013, of the subsidiaries and associates incorporated in India, none of the directors of the Group is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy and the operating effectiveness of the internal financial controls with reference to financial statements of the Company and its subsidiaries and associates, incorporated in India, refer to our separate report in **Annexure A** of this report;
 - g. With respect to other matters to be included in Auditor's Report in accordance with the requirements of section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its consolidated financial position - Refer Note No. 31 to the Consolidated Financial Statements.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has to believe that the representations under sub-clause (i) and (ii) of Rule 1 J (e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid dividend during the year and hence, there is no requirement to comply with section 123 of the Act.
- vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries and associates, which are companies incorporated in India whose financial statements have been audited under the Act, the Group has used accounting software for maintaining its books of account, which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Group as per the statutory requirements for record retention.
2. With respect to the matters specified in paragraphs 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the Auditor's Reports on the financial statements of Company and its subsidiaries and associates as at and for the year ended 31st March, 2025, included in the Consolidated Financial Statements of the Group, we report in respect of those companies where audits have been completed under section 143 of the Act, we have not reported any qualifications or adverse remarks.

"Annexure A" referred to in Clause (t) of Paragraph of Report on Other Legal and Regulatory Requirements of our report of even date on the Consolidated Financial Statements of the Company for the year ended 31st March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2025, we have audited the Internal Financial Controls with reference to financial statements of Abate AS Industries Limited (hereinafter referred to as "the Company") and its subsidiaries and associate companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls with reference to Financial Statements

The respective Board of Directors of the company, its subsidiary and associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the consolidated financial statements of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its subsidiary and associate companies incorporated in India have an internal financial control with reference to financial statements and such internal controls are operating effectively, however, the design needs to be enhanced to make it comprehensive. Based on verification of process control matrices, made available to us for the financial year under report and thereafter, in our opinion considering the internal control over financial reporting criteria established by the Group and the essential components of internal control stated in the Guidance Note, the Group needs to strengthen the controls thereof to make the same commensurate with the size and nature of its business

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act, on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to the subsidiary and associate companies incorporated in India are based on the reports of the respective auditors of such companies.

2. Significant accounting policies**2.1 Principles of Consolidation**

2.1.1 The consolidated financial statements ("CFS") relates to Abate AS Industries Limited ("the Holding Company"), its subsidiaries and associate (together, "the Group"). The details of subsidiaries and associate of the Group are as given below:

Name of the entity	Relationship	% of Holding
Prudential Management Services Private Limited	Subsidiary	51%
Salamath Import & Exports Private Limited	Subsidiary	78%
Sky International Trading WLL	Subsidiary	70%
SAIA Educational Support Services WLL	Associate	45%

- 2.1.2** The subsidiaries and associates were acquired with effect from 25th February 2025. There were no subsidiaries or associates existing as of 31st March 2014 and accordingly there are no comparative figures.
- 2.1.3** The financial statement of the subsidiary companies and associate companies used in the consolidation are drawn up to the same reporting date as of the Holding Company. The consolidated financial statements have been prepared on the following basis:
- i. The financial statements of the Holding Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transaction and unrealised profits or losses have been fully eliminated.
 - ii. Goodwill (or) Capital Reserve on Consolidation is recognised by comparing the Cost of Investments of the Holding Company against its share of Net Assets in the respective subsidiaries.
 - iii. The consolidated financial statement includes share of profit/loss of the associate companies, which are accounted under the 'Equity Method' as per which the share of profit / loss of the associate companies has been adjusted to the cost of investment.
 - iv. Non-controlling interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies are made and further movements in their share in the equity, subsequent to the dates of investments.
 - v. The consolidated financial statements have been prepared using uniform accounting policies for like transaction and other events in similar circumstances and are presented, to the extent possible, in the same manner as that adopted by the parent company for its separate financial statements.
 - vi. Exchange differences arising on Translation of foreign currency balances in the books of subsidiaries are accounted under the "Foreign Currency Translation reserve" and disclosed under Reserves and Surplus in the Balance sheet.

2.2 Basis of Preparation

2.2.1 The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Companies Act, 2013 ('the Act'.)

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousand rupee, as per the requirement of schedule III, unless otherwise specified.

2.2.2 These financial statements have been prepared on historical cost basis, except for certain assets and liabilities that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, (regardless of whether that price is directly observable or estimated using another valuation technique). In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability, at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- i. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ii. Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- iii. Level 3 inputs are unobservable inputs for the asset or liability.
- iv. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

2.2.3 Foreign Currency Transactions and Translation

Transactions in foreign currencies are initially recorded by the company at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the closing rate on the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in the settlement of profit and loss. Non monetary items are translated using the exchange rate at the date of transaction. Non monetary items measured at fair value are translated at the exchange rates at the date when the fair value was determined.

2.2.4 Current / non-current classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is,

- i. Expected to be realised or intended to be sold or consumed in normal operating cycle
- ii. Held primarily for the purpose of trading
- iii. Expected to be realised within twelve months after the reporting period, or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- i. i) It is expected to be settled in normal operating cycle
- ii. ii) It is held primarily for the purpose of trading
- iii. iii) It is due to be settled within twelve months after the reporting period, or
- iv. iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- v. The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.2.5 Use of estimates and judgments

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments are:

- i. Useful life of plant, property and equipment and intangible asset
- ii. Defined benefit obligation
- iii. Measurement of contingent liabilities
- iv. Current tax expense and deferred tax expenses
- v. Impairment of financial assets

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Group.

2.3 Property, plant and equipment and intangible assets

2.3.1 Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost comprises of all cost of purchase, construction and other related costs incurred in bringing the assets to their present location and condition.

When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

2.3.2 Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortisation is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

2.3.3 Impairment losses: At the end of each reporting period, the Group reviews the carrying amounts of the assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication of impairment loss exists, the recoverable amount, (i.e. higher of fair value less costs of disposal and value in use) of the asset is estimated, or, when it is not possible to estimate the recoverable amount of an individual asset, the recoverable amount of the cash-generating unit to which the asset belongs is estimated. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount and an impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

2.3.4 Depreciation/amortization: Depreciation/amortization is recognized on written down basis over the estimated useful lives of respective assets as under:

Asset category	Useful life
Leasehold Improvements	10 years
Buildings	13 - 60 years
Plant & Machinery	10 - 15 years
Electrical Installations	8 - 10 years
Office Equipment	2 - 10 years
Furniture & Fittings	5 - 10 years
Vehicles	7 - 10 years
Computers & Accessories	3 - 10 years
Computer Software	6 years

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by technical assessment.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

The change of depreciation methodology from straight line basis to written down value basis is not a policy change but a correction of mistake in the notes.

2.4 Inventories

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realizable value.

Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Costs of inventories are determined on weighted average basis. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

2.5 Revenue Recognition

2.5.1 Revenue from operations

Revenue from operations is recognized to the extent that it is probable that economic benefit will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made as per IND AS 115. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. Sales and Service Income exclude Goods and Service Tax (GST) and are net of trade / volume discounts, where applicable.

Sale of products comprising Sale of Optical Frames and Lens, Pharmaceutical Products, Contact Lens and related accessories is recognized on delivery of items to the customers and when control on goods is passed on to the customers.

Sale of services comprising Income from Consultation, Surgeries, Treatments and Investigations performed and Training fee from students are recognized when performance obligation is satisfied at a point in time, on rendering the related services.

2.5.2 Other Income

Interest income on Deposit is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably and Miscellaneous income includes Sale of scrap products and others is recognized on delivery of items to the customers and when control on goods is passed on to the customers.

2.6 Leases

2.6.1 The Group applies a single recognition and measurement approach for all leases, except for short-term leases. The Group recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Group recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The right-of-use assets are also subject to impairment.

2.6.2 Lease Liabilities:

At the commencement date of the lease, the Group recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset. The Group's lease liabilities are included in financial liabilities.

2.6.3 Short-term leases:

The Group applies the short-term lease recognition exemption to its short-term leases of Land and Buildings (i.e. those leases that have a lease term of 12 months or less from the commencement date). Lease payments on short term leases are recognized as expense on a straight-line basis over the lease term.

2.7 Employee Benefits

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences.

2.7.1 Short-term employee benefits

Wages and salaries, including non-monetary benefits that are expected to be settled within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

2.7.2 Post-employment benefits

Defined Contribution plan : Employee Benefits under defined contribution plans comprises of Contributory provident fund, Post Retirement benefit scheme, Employee pension scheme, composite social security scheme etc. is recognized based on the undiscounted amount of obligations of the Group to contribute to the plan. The same is paid to a fund administered through a separate trust.

Defined benefit plan : Defined benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligations which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

2.7.3 Other long-term employee benefits

Other long-term employee benefit comprises of leave encashment towards unavailed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurements of leave encashment towards unavailed leave and compensated absences are recognized in the Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

2.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognized in profit or loss.

2.8.1 Current tax

The tax currently payable is based on the estimated taxable profit for the year and is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted.

2.8.2 Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

2.9 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

2.10 Financial Instruments

Financial Assets

2.10.1 Classification

The Group classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and those measured at amortised cost. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Group reclassifies debt investments when and only when its business model for managing those assets changes.

2.10.2 Initial recognition and measurement

At initial recognition, the Group measures a financial asset at its fair value, in the case of a financial asset not at fair value through the Statement of Profit and Loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

2.10.3 Subsequent measurement

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Group has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii. Financial assets at fair value through profit and loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit and loss.

2.10.4 Financial liabilities

Debt and equity instruments issued by Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

2.10.5 Derecognition of financial instruments

The company derecognizes a financial asset when the contractual right to receive the cash flows from the financial asset expires, or when it transfers the financial asset.

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expired.

2.10.6 Impairment of financial assets

The company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

2.11 Cash and cash equivalents

Cash and Cash Equivalents in the balance sheet and for the purpose of cash flow statement comprise cash in hand and cash at bank including fixed deposit with original maturity period of three months and short-term highly liquid investments with an original maturity of three months or less.

2.12 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Fair Value Hierarchy

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair value is determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

37. Financial Risk Management

Risk management framework

The Company's board of directors have overall responsibility for the establishment and oversight of the risk management framework. The board of directors along with the top management are responsible for developing and monitoring the risk management policies.

The risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's trade receivables and other financial assets. Trade receivables, cash and bank balances and other financial assets, are typically unsecured and are derived from revenue earned from customers. The carrying amount of financial assets represents the maximum credit exposure.

Particulars	As at 31st March 2025
Trade receivables	1,66,057.80
Cash and bank balances	16,130.11
Other financial assets	45,361.73

a. Trade receivables

Trade receivables are amount billed to customers for the sale of services, and represent the maximum exposure to credit risk of those financial assets, exclusive of the allowance for doubtful debts. Normal credit terms are in line with Industry practice.

The Group does not require collateral or other security from customers; however credit evaluations are performed prior to the initial granting of credit when warranted and periodically thereafter. Based on policy, the Group records a provision for estimated uncollectible amounts, which management believes reduce credit risk. Management assesses the adequacy of provision quarterly, taking into account historical experience, current collection trend, the age of the receivables and, when warranted and available, the financial condition of specific counterparties.

b. Cash and bank balances

Cash and bank balances comprises of deposits with bank and interest accrued on such deposits. These deposits are held with credit worthy banks. The credit worthiness of such banks are evaluated by the management on an ongoing basis and is considered to be good with low credit risk.

c. Other financial assets

Other financial assets primarily consists of security deposits and other receivables from related parties. The management believes that the amounts are collectible and does not expect any loss from non performance by these counter parties.

Liquidity Risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

Cash flow from operating activities provides the funds to service and finance the financial liabilities on a day-to-day basis.

The Group regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposit to optimize the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

Exposure to liquidity risk

The table below provides details regarding the contractual maturities of financial liabilities as at 31 March 2025:

38. Capital Management

The Group's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Group.

The Group determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through internal accruals and other long-term/short-term borrowings.

The Group's policy is aimed at combination of short-term and long-term borrowings.

The Group monitors capital employed using a Debt equity ratio, which is total debt divided by total equity and maturity profile of the overall debt portfolio of the Group.

The following table summarizes the capital of the Group:
